

SE19 REGION SEND VIRTUAL TRAINING OFFER

SESLIP is delighted to offer, in partnership with Bevan Brittan, a series of virtual legal training sessions focused on SEND for colleagues across the region.

We are offering a range of in-depth 2-hour virtual training sessions on specific topics alongside shorter 'hot topic' sessions that will feature a focused presentation followed by time for Q&A and discussion.

Places are limited to 1 per local authority, with 1 back-up place which will be allocated on a first come first served basis once each local authority has booked their place. We encourage you to book early to secure your spot!
