## INCLUSION SUMMIT 2026

FRIDAY 20 MARCH 2026,  
BROADWAY HOUSE, LONDON  
SW1H 9NQ

Building on the work we are doing with our Inclusion Community of Practice in the South East, and aligned with recent requests from DfE and incoming policy reform, we are hosting an away-day in London for our SE19 Local Area Partnerships. We will be joined by a number of speakers and sharing good practice.

### What will the day involve?

- ❑ A regional focus on national SEND reforms around Inclusion in Mainstream Settings
- ❑ Presentations from inspirational speakers, Schools, SEND Services, Parents and Young People framing the Inclusion Agenda, showcasing good practice and sharing lived experiences
- ❑ Advice, guidance, and facilitation of Local Area Partnership Boards in creating their 'Inclusion Blueprint for Success', building on the learning from the SEND & AP Change Programme and regional good practice, in readiness for SEND Policy Reform
- ❑ An opportunity to contribute to a set of regional principles for progressing and promoting inclusion of CYP with SEND Networking and peer learning opportunities for regional colleagues
