Feedback across SE19 SEND Forums – July 2025 to April 2026

The following are feedback statements received across all the **SE19 SEND Forums** which have taken place since July 2025 to April 2026:

really interesting and informative. Thank you

Thank you so much. Fab session!

really powerful session thankyou

This is brilliant to see this presentation I need to leave the meeting unfortunately, how can we give feedback to this project? Share some important lived experiences that could be valuable insight to hear.

It's a really good opportunity to share the success stories

thanks for those positive and honest messages

Thank you, very interesting to hear these presentations.

Excellent presentations and lots to think about.

Thank you so much for the information shared it has been extremely helpful.

Thank you for all of the updates

Brilliant work - thank you for sharing so much info in such a short session!!

All the presentations were very informative. Thank you.

Most helpful information shared here.
