SESLIP | Transformation Network

LUNCH AND LEARN SERIES

Hear about transformation and innovation across the South East, share learning, and connect with colleagues. Sessions are open to all and will be recorded.

Thursday 26 November 12-1pm

Data to Insight share how FFP is changing the data landscape

John Foster from the Data to Insight team will share what data is changing as part of the Families First Partnership Programme, how our reporting might be impacted and what support is available.

Thursday 10 December 12-1pm

Achieving for Children shares how it has been using AI in children's services

AfC has recently established an AI Enablement Team. Michael Buckingham, the team manager, will share how they are embedding AI across the organisation, supporting staff adoption, addressing concerns, and the impact AI is having in helping practitioners support children and families.

Wednesday 27 January 12-1pm

West Sussex and Medway share their journey on opening children's homes

Colleagues from West Sussex and Medway will share their experience of opening children's homes. The session will be particularly useful for local authorities considering this approach, and we are keen to hear from those who already run their own homes to share learning, reflections, and practical insights.
